

CALL FOR PAPERS

2015 TEXAS SYMPOSIUM ON WIRELESS & MICROWAVE CIRCUITS & SYSTEMS

APRIL 23-24, 2015

BAYLOR UNIVERSITY, WACO, TEXAS

Steering Committee:

General Chair

Charles Baylis, Baylor University

Technical Program

Oren Eliezer, EverSet Technologies

Ranjit Gharpurey, UT Austin

Luis Ledezma, Qorvo

Sidharth Balasubramanian, Texas Instruments

Alan Davis, University of Texas at Arlington

Rahul Prakash, Texas Instruments

Invited Speakers Chairs

Donald Lie, Texas Tech University

Mark Yeary, University of Oklahoma

Local Arrangements Chair

Jonathan Hu, Baylor University

Registration Chair

Liang Dong, Baylor University

Publicity Chairs

Rashaunda Henderson, University of Texas at Dallas

Taylor Barton, University of Texas at Dallas

Claudio Montiel, Texas A&M University - Kingsville

Beatriz Soares, SatProf, Inc.

Sponsorship Chair

Hank Largey, NVIDIA

Student Posters and Presentations Chair

David Jackson, University of Houston

Publication Chairs

Hualiang (Bruce) Zhang, University of North Texas

Hyoung Soo Kim, University of North Texas

Finance Chair

Yang Li, Baylor University

Organization Chair

Robert J. Marks II, Baylor University

The steering committee invites paper submissions for the 2015 conference, to be held on the beautiful campus of Baylor University in Waco, Texas.

submissions in all areas of wireless and microwave circuits and systems are welcome.

Topics of interest include, but are not limited to, the following:

- Radar
- Sensing
- RF filter design
- Amplifier design (e.g., low-noise, power amplifiers)
- Microwave device modeling & CAD techniques
- Antennas and electromagnetics
- Microwave circuits, devices, modeling, testing, and measurement
- Microwave metrology
- Communication systems
- Satellite communications
- Antennas and propagation
- Electromagnetic materials and modeling
- Wireless communication
- Emerging wireless technology

Important Dates

March 2, 2015

- Full Paper Submission Deadline

March 6, 2015 -

- Author Notifications

March 15, 2015

- Final Paper Submission

Abstracts and papers should be submitted online at <http://TexasSymposium.org>

Call for Sponsors

Sponsorship of specific events within the conference (meals, reception, etc.) as well as the entire conference are available. Companies and individuals interested in participating as a sponsor should contact Hank Largey, Sponsorship Chair, at hlargey@nvidia.com.

Papers will be archived and published in the conference proceedings and at IEEE Xplore. Paper
